Medications preferred by your plan

Your plan includes a list of prescription drugs that are preferred by your plan because they help to control rising costs. This list, sometimes called a formulary, offers a wide selection of generic and brand-name medications.

Show the enclosed list to your doctor so you can discuss whether a drug on the list is right for you. If you need information about it now, visit us at www.medco.com or call us toll-free at 1 800 290-1708.

Your pharmacy options

Retail pharmacies

You may want to use a **participating retail pharmacy** for short-term prescriptions (such as antibiotics to treat infections). Be sure to show your prescription drug ID card to the pharmacist. You'll pay your retail payment for each prescription.

To find a participating retail pharmacy near you:

- Visit **www.medco.com** and click "Locate a pharmacy."
- Ask at your retail pharmacy whether it participates in the Medco network.

If you use a nonparticipating retail pharmacy, you must pay the entire cost of the prescription and then submit a reimbursement claim to Medco. See your Policy for more coverage details.

Medco By Mail pharmacies

Over 6 million members enjoy the convenience and savings of having their long-term medications (those taken for 3 months or more) delivered to their home or office. Medications are dispensed by **Medco By Mail** pharmacists through our network of mail-order pharmacies.

Medco By Mail advantages:

- **Get up to a 90-day supply** (compared with a typical 30-day supply at retail) of each covered medication for **just one mail-order payment**.
- **Registered pharmacists** are available 24 hours a day, 7 days a week.
- **Order refills** online, by mail, or by phone—anytime day or night. To order online, register at **www.medco.com**. Refills are usually delivered within 3 to 5 days after we receive your order.
- **Choose a convenient payment option**—Medco offers two safe, convenient automatic payment options for prescription orders. You can use e-check to have payments automatically deducted from your checking account. Or you can use AutoCharge to have payments automatically charged to the credit card of your choice. You can also pay

for individual orders by money order, personal check, or credit card. For more information, visit www.medco.com or call Member Services.

• **Standard shipping is free.**

How to start saving with Medco By Mail

- 1 When using Medco By Mail, be sure to ask your doctor to write a prescription for up to a **90-day supply** of each medication (plus refills for up to 1 year, if appropriate).
- 2 Fill out the enclosed Medco By Mail order form.
- 3 Send the completed form, your prescription, and your payment in the Medco By Mail envelope provided.

Your medication will usually be delivered within 8 days after we receive your order. If you are currently taking a medication, be sure to have at least a 14-day supply on hand when ordering. If you don't have enough, ask your doctor to give you a second prescription for a 14-day supply and fill it at a participating retail pharmacy while your mail-order prescription is being processed.

You may also have your doctor fax your prescriptions. Ask your doctor to call 1 888 327-9791 for faxing instructions.

Other things you should know

Medco protects your safety

The risks associated with drug-to-drug interactions and drug allergies can be very serious. To protect your safety—whether you use Medco By Mail or **medco.com**®—Medco checks for potential interactions and allergies. We also send information electronically to participating retail pharmacies.

Medco may contact your doctor about your prescription

If you are prescribed a drug that is not on your plan's preferred list, yet an alternative plan-preferred drug exists, we may contact your doctor to ask whether that drug would be appropriate for you. If your doctor agrees to use a plan-preferred drug, you will usually pay less.

Medco protects your privacy

Because your privacy is important to us, Medco complies with federal privacy regulations. Medco uses health and prescription information about you and your dependents to administer your plan and to fill your mail-order prescriptions.

Your plan may have coverage limits

Your plan may have certain coverage limits. For example, prescription drugs used for cosmetic purposes may not be covered, or a medication might be limited to a certain amount (such as the number of pills or total dosage) within a specific time period.

If you submit a prescription for a drug that has coverage limits, your pharmacist will tell you that approval is needed before the prescription can be filled. The pharmacist will give you or your doctor a toll-free number to call. If you use Medco By Mail, your doctor will be contacted directly.

When a coverage limit is triggered, more information is needed to determine whether your use of the medication meets your plan's coverage conditions. We will notify you and your doctor in writing of the decision. If coverage is approved, the letter will indicate the amount of time for which coverage is valid. If coverage is denied, an explanation will be provided, along with instructions on how to submit an appeal.

Controlled substances

Federal law prohibits the return of dispensed controlled substances.
